The NSCC SELPA hosts KIDS Zoom Hour in correlation with Parent Workshops hosted by Triple P. As parents attend their own zoom workshop (separate registration required), students can login for an hour of fun! Each meeting will be sponsored by a different organization such as Santa Cruz Public Library, The Santa Cruz Beach Boardwalk and The Santa Cruz Children's Museum.

This month's event is presented by Santa Cruz Public Library. During the hour students will engage in an activity, listen to stories and playing games.
