The Community Advisory Committee of the North Santa Cruz County SELPA (CAC) is an advisory body comprised of volunteer parents, educators and other interested community members who want to make a difference in the education of children. The CAC advises the Special Education Local Plan Area (SELPA) director about the local plan. Additionally, the CAC assists in parent and community education and in recruiting parents and other volunteers to support activities on behalf of individuals with disabilities.

Such outstanding individuals might include teachers, paraprofessionals, bus drivers, custodians, administrative staff, volunteers, students, community members, or organizations. The CAC is now accepting nominations for potential recipients of the 8th Annual Recognition Awards.

Anyone can nominate an outstanding individual to be considered for an award. If you would like to nominate a person or organization that has made outstanding contributions to support students with special needs, please submit the nomination form by April 5, 2013 to the North Santa Cruz SELPA office.
